

Dear Hiring Manager,

I am writing to recommend Christopher Olson. He worked with us at CVS Health as an IT Technician and worked with me in my position as Advisor, Logistics Supply Chain System.

As an employee, Christopher was always innovative. During his time in my team, he was able to help develop solutions for local technical problems.

I've always put a premium on flexibility among my team members and Christopher never failed to deliver. An example was when two of our distribution sites needed a custom clock in system.

Christopher is a delight to work with and I wouldn't hesitate to hire him again.

Should you have any further questions about them feel free to reach me at 214-241-5050.

Thanks,

Abel Ochoa
